

the “why”?

¹God’s eternal desire is ²made possible by redemption through Jesus’ blood.

³This forms a Gospel Family on Mission from every nation on earth.

⁴This family is formed by being with Him and others in discipleship, sent to be His hands and feet.

⁵And all of this is to fulfill Jesus’ legacy...

1. God’s eternal
Desire...

Revelation 5:4-12

2. ... made possible
by Jesus’ blood...

Ephesians 1:7-10

3. ... that forms a
Gospel Family on
Mission

Acts 2:42-47

4. ... a family of
disciples, sent with Him
to make disciples

Mark 3:13-15
Matthew 28:18-20

5. ... to fulfill Jesus’
Legacy!

Psalms 2:7-8

the “what”

As a Church family, we have been gathering since January 2016. The Lord has been gracious. God’s faithfulness shines through as the “*Father of Lights in whom there is no shadow or variation due to change*” (James 1:17).

Jesus has established a family from many diverse peoples. People have given so much. Our City has seen the Gospel. *For this, we are eternally grateful.*

In seeking the Lord the last year and a half with our Convergence family, He has posed two questions:

How do we best disciple every man, woman, and child?

How do we best display the Gospel to our neighborhoods and nations?

The best we know how, we have been seeking the Lord to ask how this **Gospel Family on Mission** can flourish. The following is what we, your leaders, believe to be the Lord’s next steps for LegacyPoint’s future...

- Seek God through re-establishing a regular prayer culture and deep reliance on God through prayer.
- Moving discipleship into all of life by going into homes, equipping families to equip themselves;
- Realizing Small Groups, individual discipleship, serving, and rest are the most effective forms of growth;
- Establishing a strong leader culture with a shared life together;
- Accomplishing this by moving to an every other week model – every other Sunday worship gatherings and every other Sunday Small Groups;
- Empowering more people to walk in their calling by increasing serving responsibilities while decreasing the volume of serving, promoting rhythms of rest and relationship.
